### PREFACE AND ACKNOWLEDGMENTS

Thirty-First Edition

The *South Carolina Higher Education Statistical Abstract* is a comprehensive, single-source compilation of tables and graphs which report data frequently requested by the Governor, Legislators, college and university staff, other state government officials, and the general public. The 2009 edition of the Statistical Abstract marks the 31<sup>st</sup> anniversary of this valuable publication.

This Abstract includes the most recent statistics on enrollment, degrees awarded, faculty, tuition and fees, funding, and other factual data. A glossary of terms is also included.

The Abstract would not have been possible without the assistance of the college and university institutional representatives' completion of data for Commission reports and the federal Integrated Postsecondary Education Data System (IPEDS). The help and support of these individuals is extremely important to the Commission's data collection process. Their assistance is greatly appreciated.

**Gary Glenn**  
**Director - Finance, Facilities, & MIS**

# Mission, Roles and Functions of the Commission

## I. Mission

"The South Carolina Commission on Higher Education will promote quality and efficiency in the state system of higher education with the goal of fostering economic growth and human development in South Carolina."

## II. Roles and Functions

- A. To provide pertinent information about higher education to parents and students and to promote access to higher education.
- B. To review and approve new degree program proposals and evaluate existing programs.
- C. To administer state, regional, and federal programs affecting South Carolina higher education.
- D. To maintain a statewide planning and institutional effectiveness system.
- E. To monitor implementation and evaluate the effectiveness of programs designed to provide minority groups with access to and equality of higher education opportunities.
- F. To examine and license non-public educational institutions.
- G. To make recommendations by means of data collection, research, and studies to the Governor, the Budget and Control Board, and the General Assembly regarding policies, roles, operations, and structure of South Carolina's higher education institutions.
- H. To maintain statewide higher education data collection.
- I. To establish procedures for the transferability of courses at the undergraduate level between two-year and four-year institutions.
- J. To coordinate with the State Board of Education in determining minimum academic expectations and requirements and approving appropriate secondary courses for prospective post-secondary students.
- K. To review minimum undergraduate admissions standards for in-state and out-of-state students.
- L. To reduce, expand, or consolidate, and beginning July 1, 1999, close any institution which does not meet the standards of achievement enumerated in Section 59-103-30 of the Code of Laws of South Carolina, as amended.
- M. To review and approve each institutional mission statement to ensure it is within the overall mission of that particular type of institution as stipulated by Section 59-103-15 and is within the overall mission of the state.
- N. To facilitate the implementation of the recommendations provided by the Higher Education Study Committee's Action Plan: *Leveraging Higher Education for a Stronger South Carolina*.

## Goals of the Commission

### III. Goals

- A. To make South Carolina a global leader by working with business and industry to foster higher education's role in economic growth and human development by ensuring implementation of the recommendations provided in the Higher Education Study Committee's report: *Leveraging Higher Education for a Stronger South Carolina*.
- B. To maintain positive relations with the Governor, the Legislature, state agencies, parents, and students and to provide them and the general public with accurate information on South Carolina higher education.
- C. To present the need and develop support for appropriate funding of public colleges and universities.
- D. To address strategic issues in public and private higher education as they are identified and to ensure a continuous process of assessment and improvement.
- E. To assure access to and equality of educational opportunity among minority groups in South Carolina higher education.
- F. To promote quality and diversity in the academic offerings of institutions of higher learning.
- G. To prevent or eliminate unnecessary duplication of degree programs among the state's institutions.
- H. To expand postsecondary educational opportunities for South Carolina residents; to recognize student achievement; and to encourage excellence in teaching and research by administering various higher education programs.
- I. To ensure that non-public educational institutions, other than those exempted by statute, are legitimate educational enterprises and that they are fulfilling their purposes.

## Commission Members

As of July 2009

Commissioner	City	Term Expiration	Representation
Kenneth B. Wingate, <i>Chairman</i> <sup>a</sup>	<i>Columbia</i>	7/1/12	Gov. At Large as Chair
Douglas R. Forbes <sup>a</sup>	<i>Columbia</i>	7/1/04	Gov. At Large
Bettie Rose Horne <sup>b</sup>	<i>Greenwood</i>	7/1/08	3 <sup>rd</sup> District
Kenneth W. Jackson <sup>c</sup>	<i>Florence</i>	7/1/10	Four-Year Comprehensive
Raghu Korrapati <sup>b</sup>	<i>Blythewood</i>	7/1/10	2 <sup>nd</sup> District
Cynthia C. Mosteller <sup>a</sup>	<i>Mt. Pleasant</i>	7/1/08	Gov. At Large
James R. Sanders <sup>b</sup>	<i>Gaffney</i>	7/1/08	5 <sup>th</sup> District
Y. W. Scarborough, III <sup>b</sup>	<i>Charleston</i>	7/1/12	1 <sup>st</sup> District
Charles L. Talbert <sup>b</sup>	<i>Spartanburg</i>	7/1/10	4 <sup>th</sup> District
Guy C. Tarrant <sup>a</sup>	<i>Charleston</i>	7/1/12	Gov. At Large
Hood Temple <sup>b</sup>	<i>Florence</i>	7/1/10	6 <sup>th</sup> District
Charles B. Thomas <sup>c</sup>	<i>Greenville</i>	7/1/10	Research Institutions
Neal J. Workman, Jr. <sup>c</sup>	<i>Clemson</i>	7/1/06	Technical Colleges
Mitchell M. Zais <sup>d</sup>	<i>Newberry</i>	7/1/06	Independent Colleges

- a**     *The Governor appoints four at-large members with one appointed as chair. At-large members serve four-year terms. The chair may be reappointed but may serve only one term as chair.*
- b**     *Congressional district representatives are appointed by the Governor upon the recommendation of the respective Legislative Delegation from the district. These members are appointed to four-year terms and may not serve more than two consecutive terms.*
- c**     *Three members are appointed by the Governor with advice and consent of the Senate to represent the sectors of public colleges and universities. These members serve two-year terms.*
- d**     *One member appointed by the Governor with advice and consent of the Senate to represent the independent colleges and serves a two-year term.*

**NOTE:** *All commissioners serve until reappointed or a replacement is named.*

# SOUTH CAROLINA COMMISSION ON HIGHER EDUCATION STAFF MEMBERS

July 2009

## Dr. Garrison Walters, Executive Director Administration

Dr. Gail Morrison	Deputy Director	737 - 0056
Ms. Rita Allison	Director of Communications	737 - 1929
Ms. Julie Carullo	Director of Governmental Affairs & Spec. Projects	737 - 2292
Ms. Beth Rogers	Executive Assistant	737 - 2275

## Academic Affairs & Licensing Dr. Gail Morrison, Director    737-0056

Dr. Michael Raley	Associate Director of Academic Affairs & Licensing	737 - 3921
Dr. Argentini Anderson	Program Manager – Centers of Economic Excellence	737 - 2276
Ms. Laura Belcher	Program Coordinator – Centers of Economic Excellence	737 - 4854
Mr. Arik Bjorn	Program Manager – Centers of Economic Excellence	737 - 2293
Ms. Sandra Carr	Administrative Assistant	737 - 2274
Ms. Renea Eshleman	Program Manager – Non-Public Postsecondary Inst. Licensing	737 - 2281
Ms. JoAnn Gardner	Administrative Coord. – Academic Common Mkt.; Contract Prog.	737 - 2245
Ms. Lane Goodwin	Program Coordinator – Non-Public Postsecondary Inst. Licensing	737 - 3918
Dr. Paula Gregg	Program Manager – Teacher Quality	737 - 2246
Ms. Trena Houp	Program Manager – EEDA	737 - 4853
Mr. Clint Mullins	Program Manager – EEDA	737 - 0141
Ms. De’Nitra Reese	Administrative Coordinator – New Programs	737 - 2242
Ms. Edna Strange	Program Mgr.– Non-Public Postsecondary Inst. Licensing/School Records	737 - 2287

## Finance, Facilities, & MIS Mr. Gary Glenn, Director    737-2155

Ms. Camille Brown	Assistant Director and Chief Information Officer	737 - 2149
Ms. Courtney Blake	Program Coordinator – Facilities	737 - 2148
Mr. Anthony Brown	Auditor	737 - 3920
Ms. Stephanie Charbonneau	Program Manager – Finance	737 - 2260
Ms. Monica Goodwin	Senior Information Resource Consultant	737 - 2296
Mr. Rao Korrapati	Computer Systems Analyst	737 - 2259

## COMMISSION ON HIGHER EDUCATION

### STAFF MEMBERS

July 2009

#### Access & Equity

**Mr. Michael Brown, Director      737-2144**

Ms. Lorinda Copeland	Administrative Assistant	737 - 2157
----------------------	--------------------------	------------

#### Internal Operations

**Mr. Jeff Richards, Director      737-2263**

Ms. Marsha Jordan	Assistant Director and Chief Accountant	737 - 2146
Ms. Ursula Brazil	Accounts Payable/Accounts Receivable	737 - 1567
Mr. Sidney Brown	Grants Accountant	737 - 3923
Ms. Marian Jones	Human Resources Manager	737 - 2258

#### Student Services

**Dr. Karen Woodfaulk, Director      737-2244**

Mr. Frank Myers	Assistant Director and Veterans Education & Training	737 - 2282
Ms. Altheia Anthony	Database Specialist – GEAR UP	737 - 3910
Mr. Derrah Cassidy	Program Coordinator – HEAP, College Access	737 - 9758
Ms. Sjanna Coriarty	Data Manager – GEAR UP	737 - 3917
Ms. Arlene Criswell	Program Coordinator – GEAR UP	737 - 2705
Mr. Pinkney Epps	Program Coordinator – GEAR UP	737 - 3919
Mr. Spencer Feaster	Program Coordinator – Veterans Education & Training	737 - 2295
Ms. Nan Ford	Program Coordinator – GEAR UP	734 - 4396
Ms. Sharon Givens	Program Assistant – GEAR UP	737 - 4850
Mr. Gerrick Hampton	Program Coordinator – Residency/HOPE/LIFE	734 - 4397
Ms. Sherry Hubbard	Program Coordinator	737 - 2128
Ms. Kristi James	Program Coordinator – Palmetto Fellows	737 - 2286
Ms. Rae McPherson	Program Manager – GEAR UP	737 - 2706
Ms. Yolanda Myers	Program Assistant – GEAR UP/ HEAP	737 - 2290
Ms. Tanya Rogers	Program Assistant – Veterans Education & Training	737 - 3922
Ms. Laverne Sanders	Program Assistant – Procurement	737 - 2226
Ms. Lorna Williams	Program Coordinator – Need-based Grants/LTAP/Early Grad. Awards	737 - 2262

## Enrollment

“Nationally, between 1997 and 2007, enrollment increased at a faster rate [than prior years 1987 to 1997] from 14.5 million to 18.2 million (26 percent). Much of the growth between 1997 and 2007 was in full-time enrollment; the number of full-time students rose 34 percent, while the number of part-time students rose 15 percent. During the same time period, the number of females rose 29 percent compared to an increase of 22 percent in the number of males. Enrollment increases can be affected both by population growth and by rising rates of enrollment. Between 1997 and 2007, the number of 18- to 24-year-olds increased from 25.5 million to 29.5 million, an increase of 16 percent, and the percentage of 18- to 24-year-olds enrolled in college remained relatively stable (37 percent in 1997 and 39 percent in 2007).”

From fall 2007 to fall 2008, total headcount enrollment in South Carolina increased by 3.3 percent. Over the last 10 years, total headcount enrollment in South Carolina increased 21.8 percent. South Carolina experienced enrollment increases similar to the national level during the last 10 years: the percent of females increased by 25 percent and the percent of males increased by 20 percent. Also comparable during that timeframe, full-time students in South Carolina increased to 32 percent. However, the increase for part-time students of 8 percent was almost half the increase seen nationally.

<sup>1</sup> FTE includes medicine and dentistry headcount.

<sup>2</sup> These numbers exclude continuing education hours.

Note: Detail may not add to totals due to rounding.

**\*Full-Time Equivalent (FTE) Student Enrollment** – Calculated as fifteen (15) credit hours per semester for an undergraduate student, twelve (12) credit hours per semester for a graduate level 1 (master's) student, and nine (9) credit hours per semester for graduate level 2 (doctoral) students. First professional pharmacy hours are fifteen (15) credit hours per semester and first professional law are fourteen (14) credit hours per semester. Medicine and Dentistry use headcount rather than credit hours.

<sup>1</sup> MUSC is not included because there are no first-time freshmen.

<sup>2</sup> Included in exclusions are students who were initially counted in the cohort and left the institution for any of the following reasons.

If the student:

- died or was/is severely disabled;
- is serving in the armed forces (including those called to active duty);
- left to serve with a foreign aid service of the foreign government; or
- left to serve in official church mission.

<sup>3</sup> No exclusion were reported this year.

<sup>1</sup> Data not available.

Note: Prior to 2003-2004, the data for independent institutions was not collected by CHE.

The data is not available from CHE or IPEDS for 1998-1999 for independent institutions.

## Migration of First-Time Undergraduate Transfers

The Integrated Postsecondary Education Data System (IPEDS) defines a transfer student as one entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). The student may transfer with or without credit.

**The following pages show the detailed migration of students from one institution to another for fall 2008.**

**Migration of First-Time Undergraduate Transfers**  
**Fall 2008**

# Degrees Awarded

A degree is a credential awarded by a college to a student who has completed a required course of study.

When a bachelor's degree is earned, it means examinations have been passed in a broad range of courses and a student has studied one or two subject areas in greater depth.

A graduate degree is usually earned through two or more years of advanced studies beyond four years of college.

## Credentials that could be earned:

- **Associate's Degree:** Awarded upon completion of a specific program; usually requires two years of full-time study and 60–70 credits.
- **Bachelor's Degree (baccalaureate degree):** Granted upon completion of a specific program; usually requires four years of full-time study and 126–132 credits.
- **Master's Degree:** Granted upon completion of a specific program; usually requires one to three years and approximately 30–40 credits beyond a bachelor's degree.
- **Doctoral Degree:** Awarded upon completion of a specialized program of study; usually requires three to five years beyond a bachelor's degree.
- **Certificate:** Granted upon completion of a specific program; generally a trade or technical specialty. Usually requires fewer than 18 months of training. [In South Carolina **Diplomas** are also awarded.]
- **Professional License:** Required for some career fields. May or may not require a college degree.

### Bachelor's Degrees Awarded By Discipline 2007-2008

The chart shows the number of bachelor's degrees awarded by South Carolina institutions in each discipline as a percent of the total number of bachelor's degrees awarded in 2007-2008. Business, Management, and Marketing continues the 10 year pattern of having the most degrees awarded (percent to total) in S.C. See previous page for details of the graphical information.

*“The foundation of every state is the education of its youth.”* **Diogenes Laertius**

## Graduation Rates

One of the most talked about educational indicators in South Carolina (and in the nation) is the “graduation rate” of a college or university. What is it exactly? How is it calculated? Why is it important? And perhaps, most importantly, what can this number, often expressed as a percent, tell us about quality at our colleges and universities?

First, it is important to understand that South Carolina originally devised the graduation rate calculation in response to a question raised by the South Carolina Legislature as part of ACT 255 of 1992. At that time, the Legislature wanted to know “How many years does it take for a first-time college student to graduate from a public college or university in South Carolina if the student goes to school full-time and does not change institutions?” All of the public colleges and universities met with the Commission on Higher Education and agreed on a process to calculate a graduation rate that would answer this question.

South Carolina’s calculation of graduation rates have since been standardized on a national level. The National Center for Education Statistics (NCES), in its ongoing effort to report on the condition of postsecondary education in the United States, started an effort in 1997 to collect data on completion or graduation rates and transfer-out rates of full-time, first-time certificate or degree-seeking undergraduate students. This collection has been identified as the Graduation Rate Survey (GRS) and is a component of the Integrated Postsecondary Education Data System (IPEDS). For a definition of GRS see Appendix 6 - the glossary.

<b>Graduation Rates</b> <b>SC Public Research and Comprehensive Teaching Institutions</b> Number and Percent of Degree-seeking, First-time, Full-time Freshmen Entering in Fall 2002 and Graduating With a Bachelor's Degree or Associate's Degree Within 150% of Normal Time for Completion <sup>1</sup>						
2002 Cohort	Initial Bachelor's Cohort	Associate's Cohort	Allowable Exclusions	Final Cohort	Number Graduating within 150% of Normal Time	Percent Graduating Within 150%
<b>Research Institutions<sup>2</sup></b>						
Clemson	2,464		2	2,462	1,956	79.4%
USC Columbia	3,503		3	3,500	2,337	66.8%
Subtotal	5,967		5	5,962	4,293	72.0%
<b>Comprehensive Teaching Institutions</b>						
The Citadel	520		8	512	349	68.2%
Coastal Carolina	1,072			1,072	499	46.5%
College of Charleston	1,999		8	1,991	1,275	64.0%
Francis Marion	734			734	288	39.2%
Lander	526			526	229	43.5%
SC State	716			716	323	45.1%
USC Aiken	471	7		478	184	38.5%
USC Beaufort <sup>3</sup>		131		131	28	21.4%
USC Upstate	632	15		647	233	36.0%
Winthrop	1,086			1,086	636	58.6%
Subtotal	7,756	153	16	7,893	4,044	51.2%
<b>TOTAL</b>	<b>13,723</b>	<b>153</b>	<b>21</b>	<b>13,855</b>	<b>8,337</b>	<b>60.2%</b>

<sup>1</sup> For Bachelor's degrees awarded through Summer 2008.

For Associate's degrees awarded from USC Aiken and USC Beaufort through Summer 2005.

<sup>2</sup> Medical University of SC is excluded because the institution has no first-time freshmen.

<sup>3</sup>As of June 6, 2002, USC Beaufort was approved to transition from two- to four-year status.

The graduation data displayed is for the fall 2002 first-time, full-time freshmen who graduate with an Associate's degree within 150% of normal time for completion (through Summer 2005). (These were the data reported to the Integrated Postsecondary Education Data System - IPEDS).

The figure above is a comparison of S.C. Four-Year Public Institutions graduation rates (CHEMIS Data) versus the national graduation rates (National Center for Educational Statistics IPEDS Graduation Rate Survey data).

<sup>1</sup> Graduation Rates 2007," The National Center for Higher Education Management Systems Information Center Website. <sup>1</sup>Includes Certificate, Diploma, & Associate Degree Seekers.

<sup>2</sup>This data is based on the information available on the SC CHEMIS system only.

<sup>3</sup>Institutions have the opportunity to provide additional data on students who have transferred to institutions that are not included on the CHEMIS system.

<sup>4</sup>Additional Transfers resulted in changes of retained numbers.

<sup>5</sup>"Success Rate" is defined as the "GRS Rate Plus."

The Graduation Rate Survey (GRS) defines the cohort of students to be included each year as the first-time, full-time, degree-seeking students entering an institution each fall. The GRS rate is calculated on the percentage of a cohort graduating within 150% of normal program time.

The Success Rate, in addition to the graduates, includes those students who as of 150% of program time have transferred to another institution or those students who have continued to be enrolled the term following 150% of program time.

*"Your ability to learn faster than your competition is your only sustainable competitive advantage."* ARIE DE GUES

# THE SAT PROGRAM

The SAT Reasoning Test™ assesses student reasoning based on knowledge and skills developed by the students in their course work. The SAT Subject Tests™ are a series of one-hour, mostly multiple-choice tests that measure how much students know about a particular academic subject and how well they can apply that knowledge. Most students also complete the optional SAT Questionnaire when they register to take SAT Program tests, providing valuable contextual information to aid in interpreting and understanding individual and group scores.

*Information on South Carolina's SAT takers is presented on the following pages.*

---

## National SAT Snapshot

A record number of students in the class of 2008 took the SAT this year, with a higher percentage of first-generation students than last year and a high rate of minority student participation.

- This year's class is the most diverse class on record with historic increases in the number of Hispanic, African American and Asian American students taking the test.
- Minority SAT takers comprised 40 percent of all test-takers, up from 33 percent 10 years ago.
- The number of first-generation students has increased over the last decade and from last year. In the class of 2008, 36 percent were first-generation students, compared to 35 percent in the class of 2007.
- Females have narrowed the performance gap with males in critical reading, closing the gap to 4 points, compared with 7 points a decade ago, and females continue to outperform males on the writing section — by 13 points this year.
- The writing section of the SAT is the most predictive section of the test among all racial and ethnic minority groups.
- The inclusion of the writing section has also contributed to an increased emphasis on writing in the classroom.

See page 85 for a comparison to South Carolina SAT data.

NOTE: Mean scores are reported when there are five or more test-takers.

**Total** - The number of South Carolina seniors taking the SAT (23,066) decreased 4.4% from the previous year, while the number of national test-takers increased by 1.6%.

**Mean Score** - South Carolina's mean critical reading score of 488 is equal to the previous year's score, while the national mean SAT critical reading score of 502 also remained the same as last year's score. South Carolina's mean math score of 497 is one point higher than the previous year's 496 while the national mean math score of 515 remained the same as last year's score.

South Carolina's mean writing score of 476 is one point higher than the previous year's 475, while the national mean writing score remained the same as last year's score.

**Gender** - Continuing the trend of previous years, female SAT test-takers in South Carolina outnumbered males. The number of female test-takers decreased this year by 3.5% and the number of males decreased 4%. The national level showed the opposite outcome with the female population increasing at 1.8% and the male population increasing at 1.9%.

**Ethnic** - SAT participation by ethnic group in South Carolina consists of 24.4% African Americans, 0.6% American-Indians, 2.6% Asians, 0.6% Mexican-Americans, 0.4% Puerto Ricans, 1.4% Other Hispanics, and 64.6% Whites, 2.0% Other, and 3.3% No Response. The national participation rate consists of 11.5% African Americans, 0.6% American-Indians, 10% Asians, 4.7% Mexican-Americans, 1.4% Puerto Ricans, 6.4% Other Hispanics, 56.5% Whites, 3.4% Other, and 5.5% No Response.

## Scholarships and Grants

Scholarships and grants are forms of financial aid that help students pay for postsecondary education. Unlike student loans, scholarships and grants do not have to be repaid. Over the years, millions of dollars in scholarships and grants have been awarded to residents attending eligible public and independent colleges in South Carolina. The following information pertains to the scholarships and grants administered by the S.C. Commission on Higher Education.

South Carolina provides financial assistance to S.C. residents in the form of need-based, merit-based and other financial aid. When students do not have sufficient family resources to pay for the costs of postsecondary education, then they are considered to have financial need. Financial need is the primary requirement for receiving the S.C. Need-based Grant, although students also have to meet other eligibility criteria. To determine their financial need, students must submit the

Free Application for Federal Student Aid (FAFSA) form each academic year.

Although not based on need, students must also submit the FAFSA to determine their eligibility for Lottery Tuition Assistance. This grant is offered to SC residents attending two-year colleges in the State.

In South Carolina, students may be eligible to receive one of the three statewide, merit-based scholarships: Palmetto Fellows Scholarship, Legislative Incentives for Future Excellence (LIFE) Scholarship, or SC HOPE Scholarship. Additional funding is available for enhancements to the LIFE Scholarship and Palmetto Fellows Scholarship based on declared majors in approved mathematics and science programs.

Please be aware that all information provided is subject to change and updates are made as necessary. For the most up-to-date information, visit the Commission's web site at [www.che.sc.gov](http://www.che.sc.gov).

## **South Carolina Scholarships and Grants**

### **Administered by the SC Commission on Higher Education**

#### **Palmetto Fellows Scholarship**

The Palmetto Fellows Scholarship is a merit-based scholarship established in 1988 to recognize the most academically-talented high school seniors and encourage them to attend college in the state. The annual award amount for the freshman year is up to \$6,700. The award amounts for the sophomore, junior, and senior years are up to \$7,500 per year. Half of the scholarship is awarded in the fall term and half in the spring. The scholarship is applied toward the cost of attendance, less any other gift aid, at an eligible four-year institution in South Carolina. Assuming continued eligibility, Palmetto Fellows may receive scholarship funding for up to eight consecutive terms of full-time study toward the first bachelor's degree or the first CHE-approved 3 + 2 program. Palmetto Fellows may receive up to 10 consecutive terms of full-time study toward the first CHE-approved five-year undergraduate program.

To be eligible, students must be legal residents of South Carolina. In addition, Palmetto Fellows cannot be recipients of the LIFE scholarship, S.C. HOPE scholarship or Lottery Tuition Assistance in the same academic year.

Students must submit an application during the early (mid-December) or final (mid-June) deadline of the high school senior year. A student cannot apply for or earn the Palmetto Fellows Scholarship after high school graduation. To be eligible for the scholarship, students must meet each criterion in one of the following sets of academic requirements:

1. Score at least 1200 on the SAT (27 on the ACT), earn a minimum 3.50 cumulative GPA on the S.C. Uniform Grading Policy (UGP), and rank in the top six percent of the class;
- OR**
2. Score at least 1400 on the SAT (32 on the ACT) and earn a minimum 4.00 cumulative GPA on the S.C.UGP (class rank requirement waived).

To renew the Palmetto Fellows Scholarship each academic year, students must earn at least 30 credit hours for graduation purposes and earn a minimum 3.0 cumulative GPA for graduation purposes at the current institution the student is seeking a degree.

#### **Legislative Incentives for Future Excellence (LIFE) Scholarship**

The LIFE Scholarship Program is a merit-based scholarship established in 1998. The scholarship is awarded annually to eligible students attending two- and four-year institutions in the state. Scholarship funds are awarded half in the fall term and half in the spring and must be applied toward the cost of attendance.

Students attending an eligible two -year or technical college may receive up to the cost of tuition, plus a \$300 book allowance, for a maximum of two consecutive terms toward a one- year program and up to four consecutive terms toward a two-year program (based on the date of initial college enrollment). Students attending an eligible four-year public or independent institution may receive up to \$4,700, plus a \$300 book allowance, for a maximum of eight consecutive terms toward the first bachelor's degree or the first CHE-approved 3 + 2 program. For the first CHE-approved five-year undergraduate program, students may receive up to 10 consecutive terms of scholarship funding (maximum terms of funding based on the date of initial college enrollment).

To be eligible, students must be legal residents of South Carolina. In addition, LIFE Scholarship recipients cannot be recipients of the Palmetto Fellows Scholarship, S.C. HOPE scholarship, or Lottery Tuition Assistance in the same academic year.

In order to qualify at a two-year or technical college, first-time entering freshman must earn a minimum 3.0 cumulative GPA based on the S.C. Uniform Grading Policy (UGP) upon high school graduation (test score and class rank requirements are waived).

In order to qualify at a four-year institution, first-time entering freshman must meet two of the following three criteria:

- (1) Earn a minimum 3.0 cumulative GPA on the S.C. UGP upon high school graduation
- (2) Score at least 1100 on the SAT (equivalent 24 on ACT) by the June test administration of high school graduation year
- (3) Rank in the top 30% of the high school graduating class based on the UGP

To renew (or earn) the LIFE Scholarship, students must earn an average of 30 credit hours for graduation purposes and earn a cumulative 3.0 "LIFE GPA" each academic year (based on the date of initial college enrollment).

### **Enhancements for the LIFE Scholarship and Palmetto Fellows Scholarship**

Scholarship recipients may be eligible to receive enhancement funds as early as the sophomore year for a maximum of six consecutive terms toward the first bachelor's degree or first CHE-approved 3 + 2 program. Scholarship enhancements are not available the first year of college enrollment.

To qualify for the LIFE Scholarship or Palmetto Fellows Scholarship Enhancement, a student must meet ALL of the eligibility requirements and be a recipient of the underlying scholarship. In addition, students must declare a major in an approved mathematics or science program at an eligible four-year institution in S.C.

Beginning with the 2007 freshman class and thereafter, students must also successfully complete at least 14 credit hours of instruction in mathematics **or** life and physical science **or** a combination of both by the end of the first academic year of college enrollment. The 14 credit hour requirement is waived for scholarship recipients who were enrolled as sophomores, juniors, or seniors during the 2007-2008 academic year.

Palmetto Fellows may receive up to \$10,000 per year (combined funds from \$7,500 Palmetto Fellows Scholarship and \$2,500 enhancement). LIFE Scholarship recipients may receive up to \$7,500 per year (combined funds from \$5,000 LIFE Scholarship and \$2,500 enhancement). Scholarship and enhancement funds must be applied toward the cost of attendance.

### **S.C. HOPE Scholarship**

The S.C. HOPE Scholarship is a merit-based scholarship established under the 2001 S.C. Education Lottery Act and implemented in fall 2002. The scholarship was created to provide funding for students attending an eligible four-year institution in S.C. who did not qualify for the LIFE or Palmetto Fellows Scholarship.

Students may receive up to \$2,500 plus a \$300 book allowance for the first two consecutive terms of college enrollment. Scholarship funds are applied toward the cost of attendance. In order to qualify, first-time entering freshman must earn a minimum 3.0 cumulative GPA on the S.C. Uniform Grading Policy (UGP) upon high school graduation.

Funding for this program is dependent upon lottery proceeds. S.C. HOPE Scholarship recipients cannot be recipients of the LIFE scholarship, Palmetto Fellows scholarship, or Lottery Tuition Assistance in the same academic year.

Since the S.C. HOPE Scholarship is for the freshman year only, students may qualify for the LIFE scholarship beginning with their sophomore year. They must meet the eligibility requirements for earning the LIFE Scholarship.

### **S.C. Need-based Grant**

At S.C. public institutions, eligible degree-seeking students may receive up to \$2,500 annually if enrolled full-time and up to \$1,250 annually if enrolled part-time. Students may receive Need-based Grant funding for up to two academic terms each academic year which may be awarded in any combination of fall, spring, or summer terms. The Need-based Grant is an annual award that must be applied toward the cost of attendance and

disbursed half in the first semester and half in the second semester. To be eligible for grant funds, students must be enrolled in at least six credit hours for the term and enrolled in their first one-year program, first associate's degree, first two-year program leading to a baccalaureate degree, first baccalaureate degree, or first professional degree. Assuming continued eligibility, students may receive up to eight full-time equivalent terms. Based on the institution's level of Need-based Grant funding, the student's financial aid office determines the exact award amount, less any other gift aid received.

To renew the Need-based Grant, students must earn the requisite number of credit hours based upon their enrollment status during the term(s) grant funds were awarded and earn at least a cumulative 2.0 GPA for graduation purposes by the end of the academic year.

### **Lottery Tuition Assistance**

The Lottery Tuition Assistance Program was established in 2001 under the S.C. Education Lottery Act and implemented fall 2002. Lottery Tuition Assistance is available at eligible two-year institutions in the state. Exact award amounts are contingent upon the number of eligible students and funding available from lottery proceeds. Before calculating the award amount, all federal grants and the S.C. Need-based Grant must be applied. Lottery Tuition Assistance funds can only be used for payment of the cost of tuition and mandatory fees.

Each academic year, S.C. residents must file the Free Application for Federal Student Aid (FAFSA) or the FAFSA Waiver form. In addition, students must be enrolled as degree-seeking in at least six credit hours for the term. Students must also be making satisfactory academic progress. Recipients of Lottery Tuition Assistance cannot receive nor be eligible to receive the S.C. HOPE, LIFE, or Palmetto Fellows Scholarship in the same academic year.

To renew Lottery Tuition Assistance after attempting 24 credit hours, students must earn at least a cumulative 2.0 GPA for graduation purposes by the end of each academic year.

**Scholarship Disbursements**  
**2007-2008 Academic Year (Fall 2007, Winter 2008, Spring 2008 and Summer 2008 Combined)**

<sup>1</sup> The General Assembly passed legislation effective beginning fall 2007 to provide scholarship enhancements starting in the sophomore year to Palmetto Fellows & LIFE recipients at a four year institution who are majoring in eligible math/science/engineering/health care related areas. For LIFE students, the enhancement provides up to an additional \*\$2500 annually. The award for Palmetto Fellows recipients in one of the eligible math/science/engineering/health care related majors beginning in the sophomore year provides up to \$3300 per year. For Palmetto Fellows students who are not in one of the eligible majors, up to \$800 annually is available beginning in the sophomore year.

South Carolina State University reported no Palmetto Fellows enhanced scholarships in either year.

Allen, Benedict, Claflin, Columbia College, Columbia International University, Limestone, Morris, South University, and Voorhees reported no Palmetto Fellows enhanced scholarships in either year.

Columbia International University, Limestone, and Voorhees reported no LIFE enhanced scholarships in either year.

## Tuition & Required Fees

For the purposes of the data in this section, the Integrated Postsecondary Education Data System (IPEDS) definition of “tuition and required fees” is used. IPEDS defines the term as: “Tuition is an amount of money charged to students for instructional services. Required fees are fixed sums charged to students for items not covered by tuition and required of such a large percentage of students that the student who does **not** pay the charge is an exception.” It is important to note that institutions may assess special user fees. For example, students may be assessed a fee for enrolling in a particular course or academic program.

Institutions use these revenues to meet their missions through the areas of: instruction, research, public service, libraries, student services, operation and maintenance of plant, and administration. State general funds are also used to support these core operating needs.

**Analysis of Student Tuition and Required Fees  
For Full-Time Undergraduate Students, Academic Year 2007-2008  
Public Institutions**

## Financial Appropriations

Revenue derived from state appropriations is combined with tuition & fees; grants, contracts, and gifts; and in part by sales and service to fund the Educational and General (E&G) activities of our public colleges and universities. The tables on the following pages reflect a consistent pattern of decreasing state support for higher education and a shift to more reliance on tuition & fees and other non-state revenue.

The Action Plan for South Carolina Higher Education: *Leveraging Higher Education for a Stronger South Carolina* includes a study conducted by the Division of Research in the Moore School of Business at the University of South Carolina that clearly measures the return on the educational investment (REOI) the state makes in higher education. The conclusion reached by the researchers is as follows:

*In South Carolina, investment in higher education produces palpable economic benefits. It pays for itself and brings in additional revenue for the state over time. The annual benefits the state will gain by reaching the 29 percent attainment goal are significant. The clearest way to discern the benefits emerging from this analysis is to again stress the overall return on the South Carolina government's investment. For each dollar that the state spends between 2010 and 2030, \$11.20 is added to the economy (measured by gross state product) over the period. Further, after reaching the 29 percent goal in 2030, each dollar spent by the state boosts South Carolina's economic activity (measured by gross state product) by \$25.20. Beyond the results presented here, higher education correlates with a host of positive characteristics and activities in the state, with potentially large benefits to society not addressed in this report. These include better health care, lower unemployment, and less incarceration. As part of an ongoing study of higher education, the Division will estimate the effects of these and other influences on the economy of South Carolina and its communities.*

The following pages give a brief overview of the appropriations provided in support of E&G costs at our public colleges and universities as well as funding provided through the South Carolina Education Lottery for operations and funding provided through a combination of appropriated, lottery, and other funding in support of merit-based scholarships (Palmetto Fellows, LIFE, and HOPE), Lottery Tuition Assistance (LTA) to two-year institutions, and need-based aid.

Source: Office of State Budget, Historical Analysis Report, 12/01/2008

NOTE: The Education Lottery began operating in January of 2002 and FY 2001-02 receipts were first appropriated in FY 2002-03. As shown above for higher education, lottery appropriations Programs listed above may receive additional state funding from other sources (e.g., LIFE, Palmetto Fellows, Tuition Grants, and SC State also receive State General Fund Appropriations)

<sup>1</sup> Surplus funds are included above as indicated below for:

Palmetto Fellows	\$4,051,040	\$2,523,954	\$1,054,744
LIFE	\$12,610,067	\$7,693,503	\$5,413,591

<sup>2</sup> 2005-06 Surplus fund allocation.

<sup>3</sup> Includes unclaimed prize funds.

<sup>4</sup> 2007-08 was adjusted from previously reported numbers to include additional unclaimed prize money received at year end.

<sup>5</sup> Additional unclaimed prize funds will be received at year end.

## Beginning Appropriations for State Scholarship and Grant Programs

<b>TOTAL All Programs</b>	<b>\$204,392,207</b>	<b>\$237,245,147</b>	<b>\$257,553,582</b>	<b>\$281,211,373</b>	<b>\$300,089,326</b>	<b>\$306,834,331</b>
<i>portion from State General Funds</i>	\$114,198,771	\$61,929,604	\$67,787,690	\$94,316,864	\$128,498,006	\$114,398,553
<i>portion from Barnwell Revenues</i>	\$3,693,436	\$11,039,438	\$3,165,892	\$2,427,576	\$2,427,576	\$2,427,576
<i>portion from Lottery Revenues</i>	\$86,500,000	\$164,276,105	\$186,600,000	\$184,466,933	\$169,163,744	\$190,008,202

NOTE: The appropriations above represent only beginning funds as provided per the Appropriations Act. State General Funds and Lottery Funds are included. In addition, Barnwell Revenues that are appropriated for the Education Endowment are included. The Education Endowment for higher education is funded at \$24,000,000 annually through a combination of Barnwell Nuclear Waste Facility revenues and State General Funds. The Education Endowment funds are split equally between the the Palmetto Fellows and Need-based Grant programs.

- (1) For the Palmetto Fellows and LIFE programs, additional amounts above the appropriations may be provided since these are "open-ended" programs and qualified students are provided the awards. Any funds appropriated above those in the Appropriations Acts are not reflected here. Note that for Palmetto Fellows and LIFE, the General Assembly passed legislation effective FY2008-09 that provided additional stipends beginning in the sophomore year to recipients of Palmetto Fellows and LIFE who are majoring in identified math, science, engineering and health-related majors and that increased the amount of the Palmetto Fellows award beginning in the second year for all recipients.
- (2) HOPE and Lottery Tuition Assistance for two-year institutions have been funded to date with only lottery revenues.
- (3) Note for CHE Need-based Grants, a portion of the funds are allocated to independent institutions based on the undergraduate enrollment per a statutory provision that results in approximately 20 percent of the funds from this program shifting to the Tuition Grants program. See note 4 regarding Tuition Grants.
- (4) Tuition Grants is a program managed by the South Carolina Tuition Grants Commission and provides Need-based grants to qualified students at SC's Independent Colleges and Universities. Based on a provision in the lottery funding appropriation for FY 2006-07 which dedicated excess unclaimed prize funds to Tuition Grants, this program additionally received \$4,966,933 at year end in FY 2006-07 which is not reflected above as initial appropriations.
- (5) Includes \$4,966,933 from excess unclaimed prize funds received at year end due to a proviso to allocate balance of any excess funds to Tuition Grants.
- (6) Includes \$3,478,271 from excess unclaimed prize funds received at year end due to a proviso to allocate balance of any excess funds to CHE Need Based.
- (7) Need-based Grants may additionally receive in FY 2008-09 the balance of any unclaimed prize funds in excess of the first \$13.4 million.

Source: Data pulled from appropriation acts for FY04 through FY09 and [www.budget.sc.gov](http://www.budget.sc.gov) for balance of excess unclaimed prize funds.

8/30/08 and rev. 4/7/09 to reflect 2008 Recession Bill H.5300 (Act 414) enacted 11/7/08

*"Do what you can with what you've got wherever you are."* Theodore Roosevelt

## Facilities

Colleges and universities conduct a wide range of activities in pursuit of their missions as institutions of higher education. The facilities in which these activities take place are a vital, yet often overlooked aspect of the cost of providing postsecondary education. Institutions must have the necessary space to conduct instruction, research, student support, administration, and service activities. Likewise, facilities

must be modern, adequate, and safe. Research has shown that campus facilities play an important role in the recruitment and retention of students. In addition, modern physical resources can also provide opportunities for advancement in academic programs, research, and public service.

Institutions are responsible for the effective allocation and utilization of their campus facilities. National and state standards and guidelines have been established to assist in this area. The degree and manner in which each institution fulfills its functions depends in large measure on its campus master plan, strategic goals, size, and availability of resources. Outside factors also influence the ability of institutions to meet the demands of their facilities. These factors include the availability of capital funding; changes and increases in standards, codes, and approval requirements; and increasing costs of operation and maintenance.

<sup>1</sup> The number of buildings does not include leased facilities.

<sup>2</sup> Includes School of Medical.

See previous page for details of the graphical information.

## Faculty in Higher Education

Faculty are pivotal resources around which postsecondary education revolves. They determine curriculum content, student performance standards, and quality of students' preparation for careers. Faculty members perform research and development work which can advance this nation's technological and economic well-being. Through their public service activities, they also contribute to the public good.

Faculty may hold academic rank of professor, associate professor, assistant professor, instructor, or lecturer. Faculty may also include the chancellor/president, provost, vice provosts, deans, directors or the equivalent, as well as associate deans, assistant deans and executive officers of academic departments if their principal activity is instruction combined with research and/or public service. The designation as "faculty" is separate from the activities to which they may be

currently assigned. For example, a newly appointed president of an institution may also be appointed as a faculty member. Graduate, instruction, and research assistants are not included in this category.

Faculty Salaries are reported according to CUPA definitions. Ranked Faculty only (Excludes lecturers/other, and graduate teaching assistants). Includes 11/12 month contracts converted to 9-month basis (.818 conversion factor).

Faculty includes those members of Instruction/Research Staff who are employed full-time and whose major regular assignment is instruction including those with release time for research.

\*Salaries for Clinical & Basic Medicine are reported on a 12-Month Contract basis.

\*\*Due to privacy of individuals, this number is too small to report.

\*\*\*No data reported for this faculty level at this institution.

## Performance Funding In South Carolina A Brief History and Background

Act 359 of 1996 amended sections of the South Carolina State Code relating to the Commission on Higher Education (in particular Section 59-103-5, *et seq.*) to change the mechanism for determining state funding of public higher education. The legislation mandated that the Commission, in consultation with institutions and other key stakeholders, develop and use a performance system for determining institutional funding. The law specified that the quality of higher education institutions could be measured by considering nine critical success factors with 37 indicators suggested to measure those nine areas, and provided a three-year phase-in period to develop a system that would base all funding of public higher education in South Carolina on performance.

To meet its mandate, the Commission on Higher Education developed a two-part plan: 1) a determination of financial need for the institutions – resulting in the Mission Resource Requirement (MRR) to identify the total amount of money an institution should receive based on comparable costs for institutions of similar mission, size and complexity of programs and 2) an evaluation process whereby each institution’s performance on identified measures was rated and funding was allocated contingent on the ratings. Developed in FY 1996-97 and substantially revised in 1999, the plan was phased in over time so that by the third year, the plan was fully in effect.

The Commission worked with the 33 public institutions in South Carolina as performance funding was implemented to refine and improve the system. In FY 1998-99, a change in scoring provided for ratings on each performance indicator to be on a three-point scale rather than a six-point scale. Additionally, institutions were rated by category rather than a percent score. Many of the indicator measurement definitions have changed since they were first defined in 1996 and 1997, with most changes occurring in FY 1999-2000. In FY 2000-01, the method for identifying the standards used to determine performance changed from a system where each institution negotiated its own benchmarks to one where standards were determined for sectors of institutions based on available national, state, regional, and peer data. During that same year, the Commission added a component to the three-point indicator scoring scale to provide recognition of individual institutional improvement over past years. The last significant revision occurred in FY 2001-02 and involved a reduction in the number of indicators used in determining overall institutional performance from 37 to 13 or 14 key indicators (depending on sector). The indicators retained were identified by the Commission working in consultation with institutions and other key stakeholders as those that had proven to be most informative and useful in assessing performance and were most reflective of sector and institutional missions.

In FY 2006-07, the Commission suspended the scoring system due to policy considerations regarding the state’s budget and higher education funding.. However, data continue to be monitored and collected as necessary to meet state and federal legislative mandates.

Information about performance funding and data are accessible on the Commission’s website [www.che.sc.gov](http://www.che.sc.gov) under “Data and Publications.”

## **Types of Public Institutions in South Carolina by Mission**

Changes to the SC State Code of Laws, 1976, as amended, arising from Act 359 of 1996, set forth the missions of public higher education, as well as for each type of public institution in the state (Sections 59-103-15 (A) and 59-103-15(B)). These statements are excerpted and printed below.

### ***Mission Identified for Higher Education in South Carolina:***

The General Assembly determined that the mission for higher education is to be a global leader in providing a coordinated, comprehensive system of excellence in education by providing instruction, research, and life-long learning opportunities which focus on economic development and benefit the State of South Carolina.

Goals to be achieved through this mission include: high academic quality; affordable and accessible education; instructional excellence; coordination and cooperation with public education; cooperation among the General Assembly, Commission on Higher Education, Council of Presidents of State Institutions, institutions of higher learning, and the business community and economic growth.

### ***Mission Identified for Types of Sectors of South Carolina Higher Education:***

#### **Research institutions**

- To award college level baccalaureate education, master's, professional, and doctor of philosophy degrees which lead to continued education or employment;
- To conduct research through the use of government, corporate, nonprofit organization grants, or state resources;
- To provide public service to the State and the local community.

#### ***Comprehensive Teaching Institutions***

- To award college level baccalaureate education and selected master's degrees which lead to employment or continued education, or both, except for doctoral degrees currently being offered;
- To conduct limited and specialized research;
- To provide public service to the State and the local community.

#### **Two-Year Regional Campuses of the University of SC**

- To award college level pre-baccalaureate education necessary to confer associate's degrees which lead to continued education at a four-year or research institution;
- To provide public service to the State and the local community.

#### ***State Technical and Comprehensive Education System***

- To award all post-secondary vocational, technical, and occupational diploma and associate degree programs leading directly to employment or maintenance of employment and associate degree programs which enable students to gain access to other post-secondary education;
- To provide up-to-date and appropriate occupational and technical training for adults;
- To support special school programs that provide training for prospective employees for prospective and existing industry in order to enhance the economic development of South Carolina;
- To provide public service to the State and the local community;
- To continue to remain technical, vocational, or occupational colleges with a mission as stated herein and primarily focused on technical education and the economic development of the State.

# Appendix 6

## Glossary

**Academic Support** – Funds to provide support services for an institution's primary missions – instruction, research, and public service.

**Accessible Area** – An indication that a room can be approached, entered, and used without assistance by a mobility-impaired person. The United States Department of Education Section 504 Subpart C regulation states “no qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity because a recipient’s facilities are inaccessible to, or unusable by, persons with disabilities.”

**American Indian or Alaskan Native** – A person having origins in any of the original peoples of North America and who maintains cultural identification through tribal affiliation or community recognition.

**Application Fee** – The amount of money that an institution charges for processing a student’s application for admittance to the institution. This amount is not creditable toward tuition or required fees, nor is it refundable if the student is not admitted to the institution.

**Asian or Pacific Islander** – A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or Pacific Islands. This includes people from China, Japan, Korea, the Philippine Islands, American Samoa, India, and Vietnam.

**Assignable Area** – The sum of all areas on all floors of a building assigned to, or available for assignment to, an occupant or use, excluding spaces defined as building service, circulation, mechanical, and structural areas.

**Associate’s Degree** – An award that normally requires at least two, but less than four, years of full-time equivalent college work.

**Auxiliary Enterprises** – Activities that exist to furnish goods or services to students, faculty, or staff, and that charge a fee directly related to, although not necessarily equal to, the cost of the goods or services are included in auxiliary enterprises. These entities are classified as self-supporting.

**Bachelor’s Degree** – An award (baccalaureate or equivalent degree, as determined by the Secretary, U.S. Department of Education) that normally requires at least four, but NOT more than five, years of full-time equivalent college-level work. This definition includes bachelor’s degrees conferred in a five-year cooperative (work-study plan) program.

**Black/African American** – A person having origins in any of the black racial groups of Africa (except those of Hispanic origin).

**Board Charges** – Charges assessed students for an academic year for meals.

**Books and Supplies** – The average cost of books and supplies for a typical student for an entire academic year (or program). Does not include unusual costs for special groups of students (e.g., engineering or art majors), unless they constitute the majority of students at an institution.

**Certificate** – A formal award certifying the satisfactory completion of a postsecondary education program.

## Appendix 6

**Classification of Instructional Programs (CIP)** – A numerical classification and standard terminology for secondary and postsecondary instructional programs provided by National Center of Education Statistics (NCES).

**Cohort** – A specific group of students established for tracking purposes.

**Credit Course** – A course that, if successfully completed, can be applied toward the number of courses required for achieving a degree, diploma, certificate, or other formal award.

**Credit Hour** – A unit of measure that represents the equivalent of an hour (50 minutes) of instruction that can be applied to the total number of hours needed for completing the requirements of a degree, diploma, certificate or other formal award.

**Degree** – An award conferred by a college, university, or other postsecondary education institution as official recognition for the successful completion of a program of study.

**Degree/Certificate-Seeking Students** – Students enrolled in courses for credit who are recognized by the institution as seeking a degree or other formal award. At the undergraduate level, this classification is intended to include students enrolled in vocational or occupational programs.

**Diploma** – A formal document certifying the successful completion of a prescribed program of study.

**Doctor's Degree** – The highest award a student can earn for graduate study. The doctor's degree classification includes such degrees as Doctor of Education, Doctor of Juridical Science, Doctor of Public Health, and the Doctor of Philosophy degree in any field such as agronomy, food technology, education, engineering, public administration, ophthalmology, or radiology.

**Doctor's degree - other** – A doctor's degree that does not meet the definition of a doctor's degree - research/scholarship or a doctor's degree - professional practice.

**Doctor's degree - professional practice** – A doctor's degree that is conferred upon completion of a program providing the knowledge and skills for the recognition, credential, or license required for professional practice. The degree is awarded after a period of study such that the total time to the degree, including both pre-professional and professional preparation, equals at least six full-time equivalent academic years. Some of these degrees were formerly classified as “*first-professional*” and may include: Chiropractic (D.C. or D.C.M.); Dentistry (D.D.S. or D.M.D.); Law (L.L.B. or J.D.); Medicine (M.D.); Optometry (O.D.); Osteopathic Medicine (D.O); Pharmacy (Pharm.D.); Podiatry (D.P.M., Pod.D., D.P.); or, Veterinary Medicine (D.V.M.), and others, as designated by the awarding institution.

**Doctor's degree - research/scholarship** – A Ph.D. or other doctor's degree that requires advanced work beyond the master's level, including the preparation and defense of a dissertation based on original research, or the planning and execution of an original project demonstrating substantial artistic or scholarly achievement. Some examples of this type of degree may include Ed.D., D.M.A., D.B.A., D.Sc., D.A., or D.M., and others, as designated by the awarding institution.

**Dormitory Capacity** – The maximum number of students for which the institution can provide dormitory housing facilities, whether on or off campus.

**Educational and General (E&G)** – The educational and general operations of an institution, including instruction, research, public service, academic support, student services, institutional support, operation and maintenance of physical plant, etc.

## Appendix 6

**First-Professional Degree** – An award that requires completion of a program that meets all of the following criteria: (1) completion of the academic requirements to begin practice in the profession; (2) at least two years of college work prior to entering the program; and (3) a total of at least six academic years of college work to complete the degree program, including prior required college work plus the length of the professional program itself. First-professional degrees may be awarded in the following ten fields: Chiropractic, Dentistry, Law, Medicine, Optometry, Osteopathic Medicine, Pharmacy, Podiatry, Theology, and Veterinary Medicine. ***NOTE: The National Center for Education Statistics (NCES) has eliminated this degree category and required all institutions to reclassify the above first-professional degrees into the Doctor's degree classification. See Doctor's degree for additional information.***

**First-Time Freshman** – An entering freshman who has never attended a college (or other postsecondary institution). Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

**Full-Time Equivalent (FTE) Student Enrollment** – Calculated as fifteen (15) credit hours per semester for an undergraduate student, twelve (12) credit hours per semester for a graduate level 1 (master's) student, and nine (9) credit hours per semester for graduate level 2 (doctoral) students. First professional pharmacy hours are fifteen (15) credit hours per semester and first professional law are fourteen (14) credit hours per semester. Medicine and Dentistry use the headcount rather than credit hours.

**Graduate Student** – A student taking courses offered for credit toward a master's or doctoral degree.

**Graduation Rate** – The rate required for disclosure and/or reporting purposes under Student Right-to-Know. This rate is calculated as the total number of completers within 150% of normal time divided by the revised cohort minus any allowable exclusions.

**Hispanic** – A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

**Hospitals** – Activities associated with the patient care operations of a hospital. This category does not include instructional activities which may take place in the hospital but which are more appropriately categorized in the instruction program.

**In-District Student** – A student who is a legal resident of the locality in which he/she attends school and thus is entitled to reduced tuition charges if offered by the institution.

**In-State Student** – A student who is a legal resident of the state in which he/she attends school.

**Independent Operations** – Institutional activities that are owned by or controlled by the institution but that are independent of or unrelated to the institution's mission.

**Institutional Support** – Activities carried out to provide for both the day-to-day functioning and the long-range viability of the institution as an operating organization. The ultimate goal of the institutional support program is to provide for the institution's organizational effectiveness and continuity.

**Instruction** – Activities carried out for the express purpose of eliciting a measure of educational change in a learner or group of learners.

## Appendix 6

**Lower Division** – Courses at the freshman and sophomore levels of college work, available at the two-year institutions as well as the four-year institutions.

**Master's Degree** – An award that requires the successful completion of a program of study of at least the full-time equivalent of one, but not more than two, academic years of work beyond the bachelor's degree.

**Nonresident Alien** – A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely.

**Out-of-State Student** – A student who is not a legal resident of the state in which he/she attends school.

**Physical Plant Operations** – Activities related to maintaining existing facilities and grounds, providing utility services, and planning and designing future plant expansions and modifications.

**Public Service** – Activities established to make available to the public the various resources and capabilities of the institution for the specific purpose of responding to a community need or solving a community problem.

**Race/ethnicity Unknown** – This category is used ONLY if the student did not select a racial/ethnic designation, and the postsecondary institution finds it impossible to place the student in one of the aforementioned racial/ethnic categories during established enrollment procedures or in any post-enrollment identification or verification process.

**Required Fees** – Fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay is an exception.

**Research** – Any activity intended to produce one or more research outcomes – including the creation of knowledge, the organization of knowledge, and the application of knowledge. A research activity may be conducted with institutional funds or under the terms of an agreement with an agency external to the institution.

**Room Charges** – The charges for an academic year for rooming accommodations for a typical student sharing a room with one other student.

**Room Hours of Instruction** – The number of hours each week that a classroom is used for regularly scheduled classes.

**Space Factor Calculation** – A very useful calculation for facilities planners, in that it combines into a single factor the concepts of weekly room hours, percent student station utilization, and assignable square feet per student station. The lower the space factor, the more effectively the space is being utilized for instructional purposes. The calculation is: average student station size (SF per student station) divided by average week room hours of instruction multiplied by station utilization percentage.

**Specialist Degree** – An award that requires the completion of an organized program of study that awards the specialist degree (beyond Master's), but does not meet the requirements of academic degree at the doctor's level.

**Student Services** – Activities that contribute to the emotional and physical well-being of the students, as well as to their intellectual, cultural, and social development outside of the context of the institution's formal instruction program.

## Appendix 6

**Student Station** – A desk, table/chair, theatre seating, etc., used by a student in a classroom or class laboratory.

**Success Rate** - The Graduation Rate Survey (GRS) defines the cohort of students to be included each year as the first-time, full-time, degree-seeking students entering an institution each fall. The GRS rate is calculated on the percentage of a cohort graduating within 150% of normal program time. The Success Rate, in addition to the graduates, includes those students who as of 150% of program time have transferred to another institution or those students who have continued to be enrolled the term following 150% of program time. This is often referred to as the “GRS Rate Plus.”

**Transfer Student** – A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). The student may transfer with or without credit.

**Tuition** – The amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit.

**Undergraduate Student** – A student enrolled in a four- or five-year bachelor’s degree program, an associate’s degree program, or a vocational or technical program below the baccalaureate.

**Upper Division** – The courses students are generally expected to complete during the junior and senior years of a typical baccalaureate degree program and often require completion of prerequisite courses.

**White/Non-Hispanic** – A person having origins in any of the original peoples of Europe, North Africa, or the Middle East (except those of Hispanic origin).
